Online training for footwear professionals

From March 2013, a new course will be available online for those who want to improve their skills in footwear design, market and innovation.

TIED SHOE is a Transfer and Innovation LEONARDO project

Starting from a previous project – VTC-SHOE – focused on footwear design, TIED SHOE aims at:

Extending the innovation in training to different European countries, like Portugal, Spain, Romania, Greece and Croatia.

Incorporating modules that address the need for Innovation and Internationalization.

Expanding the concept of Virtual Training into a Community of Practice to share experiences and present a common approach to non-European competition.

Promoting the integration of ECVET as a qualification framework to ensure common recognition of qualifications across Europe.
